Ref.A4-2284-36. South Kanara Collector's Office,

Camp Mangalore, 4th June 1936.

OFFICE OF THE COMMISSIONER OF EXCISE
8-JUN 1936
MADRAS

From

Khan Bahadur Muhammad Humayun Sahib Bahadur, B.A.,
Collector of South Kanara.

To

The Secretary to the
Commissioner of Excise,
Madras.

Sir,

The Karnataka Chemical and Pharmaceutical Works Ltd., Udipi - Default in payment of the cost of Abkari Establishment - Reported.

Reference: Commissioner's Proceedings, D.No.634 Abk.36, dated 20.3.1936.

The cost of the Abkari Establishment deputed to supervise the operations in the Pharmaceutical ------- Laboratory and the Bonded Warehouse of the Karnataka Chemical and Pharmaceutical Works Ltd., Udipi, for the month of May 1936 due on 1st May 1936 was remitted by the Firm only on 22.5.1936 after the issue of a ------ registered notice by me. The Managing Director of the Firm explains the delay in remitting the cost as due to his unavoidable absence from Udipi and begs to be excused for it. I recommend that the Firm may be let off with a warning this time.

Ref.

The Karnataka Chl. & Phl. works Ltd, Udipi defaulted in the payment of the cost of the establishment for May 36. They were fined Rs 10 for the default. Again in June they failed to pay in time the cost of the establishment for that month. They were fined Rs. 10/ again and definitely warned that if in any succeeding month they were late with their

payment of the cost of the establishment. The licences would be cancelled In spite of this warning the Coy. failed to pay the establishment charges for July '36 on or before the due date. They have thus violated condn. 6 of the licences granted to them. Under condn. 7 of the licences, the C. hereby directs that both the licences granted to the Coy in C.P.D. 634 dtd 20.3.36 be cancelled.

2/. The A.C.D. should take urgent steps to give effect to this order and report compliance. The licences should be recovered & submitted. ~~to the Karnataka Chief Engineer~~

As there are at present in bond alcohol of strength about 67 U.P., spirituous medicinal preparations in the warehouse and other spirituous preparations containing alcohol in the process of manufacture, the officer in charge of the Laboratory and the peons appointed for guard duty cannot be relieved immediately till orders are passed as to the disposal of the excisable goods in bond. I enclose a copy of my instructions to the officer in charge and will submit details of excisable goods in bond on receipt of information from the officer in charge.

2. The alcohol in bond may be removed underbond to the Nellikuppam Distillery, if the licensee is able to negotiate with Messrs. Parry and Co., Ltd., to receive it, provided that the tariff rate of duty will be paid on the wastage in transit, should it exceed the prescribed allowance; or removed on payment at the tariff rate of duty or destroyed. The finished preparations may also be removed on payment of duty or destroyed at the option of the licensee. In like manner, the preparations in the process of manufacture may be disposed of. It would appear necessary to give

J.W. WARD, ESQUIRE.

Reference:- (1) Commissioner's C.R.7910-abk/36/5-8-36.

(2) Letter dated 5-8-36 from the Sub Inspector.

M E M O:-

The attention of the Pharmaceutical Laboratory Officer, Udipi is drawn to the contents of the Commissioner's memo cited above. If ~~the~~ on 16-8-1936 the Karnataka Chemical and Pharmaceutical Works, Udipi do not make arrangements for the removal of the preparations in bond after payment of duty they should be destroyed on 17-8-1936 in the presence of the Managing Director and the fact intimated to the Assistant Commissioner for Distilleries. As already ordered the preparations in the process of manufacture may also be finished and removed on payment of duty on or ~~before~~ before 16th August 1936 failing which they too should be destroyed on 17-8-1936.

2. The Sub Inspector is informed that

(i) that the 10% allowance on the proof quantity for wastage should be calculated on each preparation in the process of manufacture as shown in M.P.4. No allowance for wastage should be shown in M.4 as no allowance for wastage is permitted for spirituous preparations other than medicinal. This order supersedes para 2 of Assistant Commr. for Distilleries' R.C.R.1478/36/3-8-36 to this extent.

(ii) that the methylated spirit if not used upto and inclusive of 16-8-1936 for the manufacture of tincture should be destroyed on 17-8-1936.

(iii) All the store articles, books, forms, stationery etc., belonging to Government should be despatched to the Warehouse Officer

Mangalore for safe custody. A list of the articles in duplicate should be prepared and sent to the Warehouse Officer who will acknowledge receipt of the articles and submit a copy of the acknowledgment to the Asst. Commr. for Distilleries.

3. The Inspector,, Southern Distillery Circle will issue orders posting the peons attached to the Laboratory.

4. Orders will issue in due course posting the Sub Inspector elsewhere.

Order

The Sub Inspector will carry out the Commissioners orders. If duty is paid on the finished preparations and those in the process of manufacture, they may be released, if not they may be destroyed.

The Sub Inspector will send a registered notice to the licensee to be present on 17.8.36. If he fails to appear, orders may be obtained by telegram (sending post copy) from the Secretary, whether the finished preparations, those in the process of manufacture and methylated spirit if any, may be destroyed. After they are destroyed he may release the buildings from Excise control. He will await orders of the Inspector as to the posting of the keys.

weight unless some duty is also paid into the Sub-Treasury along wit the Establishment Charges as they were told that the Tahsildar has re-ported to the Collector that the concern is at a stand still and no -- work is carried and so on, the Managing Director was making arrangemer for the amount of duty for the removal of the articles from the Bonde Ware-House.

3. That meanwhile, they also received the copy of the Com--missioner's Proceddings C.R.No. 7910 Abkari dated 23-7-1936 giving t one month's time for the removal of the goods after payment of the du So, they paid into the Sub Treasury the Establishment Charges for the months of July and August as per challan Nos 203,204,205 and 206. We were also making arrangements for the payment of duty for the removal of the articles from the Bonded Ware-House.

4. That now they have received the copy of the Proceedings o the Commissioner of Excise C.R.No. 7910- Abk-/ 36 dated 5-8-1936 -ing that the stock is to be disposed off by the 17th Instant.

5. That hitherto, they were thinking of applying for th -toration of the Licences after the payment of duty is actuall into the Sub Treasury. Now they find that there is no time for therefore they are making this application so that it may reach yo the 17th Instant.

6. That they will pay into the Sub Treasury some duty on t 17th Instant itself and inform you of the same by means of a wire t the Laboratory Officer at our cost.

7. That as we have already invested over a lakh and a hal shape of machinery, raw drugs, bottles, labels, blocks, printing, a -tisement, and other things and this being the only one of its kin with indigenous Capitalin this Presidency we request that you may good enough to restore the said Licences and help us in our ente

8. That as our Managing Director has staked his whole fortune - on this enterprise with an honest intention of developing this industry - in this Presidency and as his future also depends upon the success of this concern and that if this concern is closed he will be a ruined man we re--quest that you may take pity on him and favour him by restoring the above Licences this time.

9. That in future they will try to be regular in their payments and give no scope for such things.

10. That as they have not done anything that will incriminate -- hem and as it is merely a delay in the payment of the Establishment Charges which of course is a violation of the terms of the Licences, they request that they may be given one chance. That as the Managing Director is sure that the Concern will pay if he is allowed to work freely and as hitherto he was not able to attend to its work regularly on account of his private difficulties which he has almost overcome and which he hopes to be over in a short time, he requests that he may be given one chance to reorganise the work and put it on a firm footing.

11. That the Managing Director will see that in future no such -- violation will take place. That he will ever be grateful to you for this act of kindness which will save him and his family from the utter ruin which will overtake them if the Licences are not restored as they will lose heavily on account of the same.

In conclusion they pray that the former order may be reconsidered and the Licences may be restored at an early date and thus save them from the complete ruin which shall otherwise overtake them for which act of kindness they shall ever be thankful nd grateful to you,

ENCLOSURES
1 Petition from the Managing Director Karnataka Chemical Works Ltd Udipi

SPARE COPIES

R.C. 41-43/36

I submit herewith the petition of the Managing Director of the Karnataka Chemical and Pharmaceutical Works Ltd Udipi, for restoration of the licences cancelled in C. R No 7910 alias 36 dated 13.7.36 of the Commissioner of Excise. The Statement of the petitioner that he has invested over a lakh of rupees in erecting the necessary machinery and purchase of other accessories required for the business and has thus staked his all in the venture is true. In the circumstances stated by him, I recommend that the Restoration of the licences, provided he agrees to remit in future, charges for the maintenance of the Government establishment for three months

T.T. 12-13/36

as to any loss arising by his failure
to carry on his business, as he has besides
making a deposit, hypothecated the
buildings and plant to Government and
Government is therefore fully indemnified
against any future loss.

Sir,

Ref: Our wire of date and your C.R.No 7910-Abk/36 dated 5-8-1936.

I do hereby confirm our wire of date which runs as foll-ows " Excise Commissioner, Madras, Reply Paid, Establishment ~~fa~~ paid, Renewal applied, pray time please wire. Karnataka Chemical Works.

Having received a notice from the Laboratory Officer to the effect that the preparations inside the Bonded Ware-House -- will have to be destroyed today as per your proceedings referred to above I have wired now as stated above. I had come over here on my private business of the most urgent nature. As I learnt that - the Inspector of the Southern Distillery Circle has come over -- I wanted to see him yesterday and sent my messenger to see where he is putting up. But to my disappointment he brought the infor--mation that he was gone to Udipi. Hence I could not see him here I shall go over to Udipi and see him before this evening and ex--plain to him everything.

As the establishment charges upto the end of this month

ETC., ETC.,

has already been paid and as I have already applied for the restoration of the Licences through the Assistant Commissioner for Distilleries -- which I expect to be sanctioned as I have not committed any other offen -ce expect that of late payment and there are no other charges against me that will incriminate me the Government will not lose anything by -- granting any extension.I also beg to state that we have already deposit -ed a cash security of Rs. 2500/- in the shape of Postal Cash Certifi- cates and also hypothecated the building etc which deed has been regis -tered on the 23rd July 1936 the Government will not lose anything by the renewal of the Licences also.

As I have already invested over a lakh and a half on this - concern in the shape of raw drugs, machinery, chemicals, containers, - labels, and other stationery etc , building, advertisement etc. I shall have to lose all if this is to be closed. The stake is such that if -- this is closed I shall be a ruined man in no time. I humbly submit that have not committed any offence to deserve this. No doubt I was not --- I was not regular in the payment of the establishment charges for which violation of the rules I beg your pardon. I pray that you may take pity on me taking into consideration the stake I am at and restore the Licen -ces at an early date. You may also know that from the beginning I am - meeting with opposition from my enemies who are trying their best to -- keep me otherwise engaged so that I may not be able to work this concern and thus they want to ruin me. Some are waiting for an opportunity to - purchase this for a trifling. They are spreading rumours that the conce will be closed by the end of this month and so on. They have also spread news that a big pit has benn prepared for destroying the medicines etc. So I request that you may take pity on my present predicament and help me by giving me time for the removal of the medicines and restoring the Licences. I beg of you to give me a chance this time. I shall see that - inspite of any difficulties that the establishment charges will be paid

KARNATAKA CHEMICAL AND PHARMACEUTICAL WORKS, LTD., UDIPI.

promptly in future. I will not allow it to fall in arrears. Meanwhile I shall also try to take out as much medicines as possible. By spread -ing all kinds of false rumours my enemies are not allowing to raise money. But I shall succeed in my attempt as I have no bad intentions and as this concern was started with the best of intentions. I am sure the Almighty God will help me in this attempt. So I pray that I may be given one more chance this time as a last favour and restore the Licences and save me from the great calamity which will befall me if this concern is closed..

In conclusion, I beg of you to take pity on me and my big -- family who have staked their all on this concern and restore the Licences as a favour from you for which act of kindness we shall ever be very grateful and thankful to you. Now hoping to receive the favour of a ~~fa~~ reply in the affirmative at an early date,

I Have the Honour to be,

Sir,

Your Most Obedient Servant.

Sir,

In continuation of my application Ref No Exc/34/36 dated 17-8-1936 I beg to state as follows:-

When I went to Udipi yesterday evening I was informed - that no reply has been received from Madras and that the Inspector of the Southern Distillery Circle also has not received any reply to his wire, which he had sent in the afternoon. When I explained to him the circumstances he sympathised with me and felt very sor--ry for me.As he had to carry out the orders from the superior Of--ficers and as he could do nothing in the matter he advised me to place all the facts before you and pray for mercy which you may -- consider and restore the Licences. So I am trying to place before you all the facts as well as I can.

I started this concern in the year 1932 with the best of - intentions without intending any harm to anybody whosoever. But -- from the very beginning I had met with opposition from some people here who were not willing to cooperate with me by joining this con--cern ; neither could they see this concern prosper. So from the -

ETC., ETC.,

very outset they have begun to put difficulties in my way. Within a very short time they brought about disruption between me and my partner in my Bombay Firm. On account of this I suffered a good deal and I was not able to attend regularly to my work in this company. Several times it was given for arbitration and for months together we spent time in these arbitrations for nothing. This is the cause of the delays in the payment of establishment charges for which our Licences have been cancelled.

In the face of this opposition I had been working this concern hoping that matters will be settled soon, by the intervention of our common well-wishers. So I invested a good deal on the building, machinery, raw drugs, chemicals, containers, utensils, labels, blocks, stationery and other things which work up to over a lakh and a half at present. My hopes were that as I have not done any harm to anybody and as this enterprise was started with the best of intentions God will help me in my undertaking and the difficulties will be over in a short time.

In the midst of this I had to face a good many difficulties. Now I have to face this cancellation of the Licences. If I am not able get them restored I shall have to lose all that I have invested in this concern which means my complete ruin. I have staked all my capital in this concern. So I request that you may take pity on me and give me one chance to work this concern. I feel sure that if I am given this chance I shall see that no occasion will arise in future for any such punishment. I also beg to say that I have not committed any offence to deserve this punishment which will completely ruin me if it is not revoked. I shall try once more and if I do not amend matters then it means God has left me and I am doomed. If I amend the matters then you will have the satisfaction that you have helped me by giving me one

more chance as a grace and our family will ever be grateful to you and keep you in our memory till our death. You will be instrumental in saving a fmily from utter ruin; and God will reward you for this act of kindness.

Further, this is a concern started in this corner of the Presidency while the bigger capitalists in the larger cities of the Presidency were not willing to come forward despite the concessions offered by the Excise Department of Madras from the year 1923. Anyhow, I made bold to come forward with an honest view to develop this industry and staked all my fortune on this indigenous concern. If this concern should fail how will others come forward to launch on similar enterprise? This being the only one of its kind with indigenous capital in the whole of the Presidency I request that you may be pleased to help me in this enterprise by restoring the Licences and give one more chance for setting the matters right. I am sure that If I am given this chance I shall do all in my power and bring the concern to a success at an early date. In this some people from Bangalore have promised help to me. So this time it will not go in vain if you restore the Licences once more.

I would have been able to show some improvement by the 15th itself. But unfortunately for me rumour has gone out that you have ordered the destruction of the medicines in the bonded Ware-house and that you have refused restoration of the Licences and so on. I do not know who is responsible for this. So my friends have promised me help in case the Licences are restored only. So I pray that the Licences may be restored at an early date so that I can get the help promised by my friends. This will surely save my whole family from the utter ruin which is awaiting us if the Licences are not restored.

I also beg to state in this connection that the hypothecation deed has already been registered on the 23rd July 1936. The other Hypothecation deed by the Company has been kept ready typing the whole matter

KARNATAKA CHEMICAL AND PHARMACEUTICAL WORKS, LTD., UDIPI.

Continuation sheet No. 4 *of Ref. No.* Exc/36/36 dated 18-8-1936.

But as it is to be signed in the presence of the Tahsildar and as they said that there is no use of that deed in the absence of the Licences themselves we have not signed the same. We are ready to sign it in the presence of the Tahsildar at any time. The other deed is already registered and I have also shown the same to the Inspector of Southern Distillery Circle.

In conclusion, I beg to impress upon you that as I have staked my all on this concern with no bad intention and as we are not guilty of any other offence which will incriminate us, and as I have already invested over a lakh and a half over this, and as it is in the interests of both my family as well as myself to see that no such recurrence happens any more, and as my friends have promised me their help and cooperation in case I get the Licences restored, I pray that you may take pity on my present condition and save me and my family from the utter ruin which is awaiting us if the Licences are not renewed...oping that you will kindly consider all the above and order the restoration of the Licences at an early.

Subject: Closure - Udipi Pharmaceutical Laboratory

This Office letter dated No. R.C. 572 dated 17-8-36.

In continuation of my report R.C. 572 dated 17-8-36, I submit herewith a letter received from the Managing Director, Karnataka Chemical & Pharmaceutical Laboratory on 17-8-36 at 7.30 P.M. He also came and met me at night at 9.30 P.M. He pleads that the period of one months' time granted to him extended upto 23-8-36, ie, one month from the date on which the order in C.R. 7910 dated 23-7-36 was issued by the Commissioner. He further states that on the receipt of intimation from the Laboratory Officer that the time expired on the 16th he immediately submitted a petition to the Commissioner for the renewal of the licence or for an extension of the time limit and that he has credited the Establishment charges for July and August 36. He requests that the order of destroying the goods may not be carried out till receipt of Commissioner's orders on his petition. He has already given it in writting that he does not want to have the goods destroyed and this has been submitted to the Assistant Commissioner for Distilleries by the Laboratory Officer.

2. In this connection I request that the Laboratory Officer may be informed as to whether he could

permit the release of finished products from bond, if a challan for the payment of duty thereon, is produced at a date susequent to 16-8- before Commissioner's final orders are passed.

3. When I asked the Director if he could not open the Laboratory and have the goods destroyed, as he has failed to remove them from bond aft payment of duty. He is not willing to do so but only wants me to await Commissioner's further orders. As the Director has paid the Establishment charges upto the end of August, his request to grant time upto 23-8-36 may be favourably considered, so that his plea that he was under the impression that the one months' time, dated from the date of the Commissior orders might not be raised again. If the Commissioner considers that a renewal of the licence may be granted, the Licensee may be called upon to pay the whole of the Establishment charges for the remaining 7 months for 1935-36 in a lump before he is granted a renewal. Otherwise as the financial position of the Laboratory is not sound, this difficulty is bound to rise again.

ENCLOSURES.....

.....

.....

SPARE COPIES.....

I came to Udipi on 16-8-36 evening to see that the Commissioner's orders referred to above are carried out today. The Laboratory Officer had sent the Commissioner's C.R. 7910 Abk. dated 5-8-36 to the Managing Director, who has noted and returned the same, under his personal signature on 12-8-36. The Laboratory Officer has again issued a memo calling upon the Managing Director to be present on the 17th instant for destroying finished and unfinished goods under bond, if they were not removed after payment of duty by the 16th. This memo he delivered to the Clerk in charge of the show room on the 15th instant, as the Managing Director could not be had at. I was informed by the Laboratory Officer that the Managing Director was evading to appear at the Laboratory today for the destruction of the goods. I again asked the Laboratory Officer to go to the Director's house and meet him this morning, but he could not find him. The Clerk in charge of the show room informed me that he has gone away to Mangalore and has been wired to.

The Bonded room is locked with an Abkari lock and also with a private lock, the latter by the Managing

When the Clerk in charge of the show room was asked about the key, he replied that he had it, but could not open it without his Master's orders. Thereupon I wired to the Secretary for orders and a post copy of the telegram is herewith enclosed.

I learnt that the Collector, South Kanara was camping here at Udipi and I went and interviewed him as to the procedure to be adopted. He paid a visit to the Laboratory atonce to see things for himself. He saw the locks put up and also made enquiries of the Clerk. He advised me to await the orders of the Commissioner, as the establishment charges are reported to have been paid up to the end of this month and the Laboratory was kept under gaurd.

I request that orders may be passed giving detailed instructions as to the procedure to be adopted by the Laboratory Officer in case the Managing Director continues not to make his presence at the Laboratory nor surrender the goods for destruction. If orders are passed asking the Laboratory Officer to destroy them even in the absence of the Managing Director, I consulted the Collector and he has advised that the lock may be broken open and things destroyed in the presence of the local Sub Magistrate, the Police Sub Inspector and some witnesses. A panchayat will then have to be held and the empty vessels and bottles kept in the room and locked and sealed and handed over to the Village Head man for being delivered to the owner.

I have asked the Laboratory Officer to await the Commissioner's orders and act accordingly and am leaving this place as the Managing Director did not turn up throughout the day.

Copy of letter from the Managing Director of Karnataka Chemical and Pharmaceutical Works Ltd., Udipi No. Exc/35/36 dated 17-8-36.

When the order cancelling our Licences was served on us by post we wanted to apply for the restoration of the Licenses after the payment of some duty as well as the establishment charges. But when the order giving us one month's time for the payment of duty was served we were led to understand that we were given time till the 23rd instant as the order was passed on the 23rd of the last month. So we paid the establishment charges upto the end of August and were also making arrangements for the payment of the duty as early as possible. But on or about the 12th I was served with a copy of the order saying that the time should be calculated from the 17th of July. This compl tely upset my plan and so I was obliged to apply for the restoration of the Licences immediately so as to reach the Commissioner in time. So I have sent in my application on the 14th itself. Further I have applied for time today both by means of a wire as well as by post. So I request you to give me time till the orders from the Commr. of Excise both on my application for the restoration of the licences as well as the application for time are passed before you take any steps in respect of the destruction of the goods inside the Bonded Warehouse.

Hoping that you will kindly grant me time awaiting the orders of the Commissioner of Excise.

Through the Collector of South Kanara,

Mangalore.

Sir,

Ref: Collector's Ref: A4-2284-36, dated 7-7-1936.

Commissioner's Ref: C.R.No. 7910-Abk./36 dated 13-7-

On the 14th Instant I had applied for the restoration of the Licences cancelled in Commissioner's Proceedings C.R.No. 7910-Abk./36 dated 13-7-1936 on the Collector's report No. A4-2284-36 dated 7-7-1936 that the Establishment Charges have not been paid. Having paid the establishment charges I had applied for the restoration of the licences through the Assistant Commissioner for Distilleries. I learn that the Assistant Commissioner is not at his Head Quarters now. So it will take some time for the order on this application. Meanwhile as the cancellation of the Licences was on the recommendation of the Collector I have been advised by my friends to apply for the restoration through the Collector also. Hence I have thought it necessary to write this letter.

In this connection I wish to state briefly how I

KARNATAKA CHEMICAL AND PHARMACEUTICAL WORKS, LTD., UDIPI.

have been working this concern from the very inception of the same. I start-ted this concern in the year 1932 with the best of intentions and without intending any harm to anybody whomsoever. But from the very beginning I -- have met with opposition from some people here who were not willing to co-operate with me by joining this concern for which I had given them the opportunity. Neither could they bear to see this concern prosper. So, from the-very outset they have been putting difficulties on my way. Within a very short time they succeeded in bringing about rupture between me and my part-ner in my Bombay business. On account of this I suffered a good deal and I was not able to attend to this business. Several times arbitration was tried through many of our common relatives. When the question of my partner paying me his dues to the company came in, he retracted his steps through the instigation of my enemies. For months together I was engaged in this and hence the delays in the payment of establishment charges for which -ur Licences have been cancelled.

In the face of this opposition I had been working this con-ern hoping that matters will soon mend and then I can work the same --- ithout any difficulty. So I went on investing a good deal on the build--ing, machinery, raw drugs, chemicals, bottles, utensils, labels, blocks, ad--vertisement, stationery etc. which all work up to over a lakh and a half. My hopes were that as I have not done any harm to anybody neither have I-intended any harm to anybody and as this enterprise was started with the best of intentions God will help me in this and that the difficulties will be overcome in some time. In the midst of this I had to face a good many difficulties. But hitherto God has protected me from all these difficulties and I hope that He will save me from the present one also.

If the Licences are not restored I shall have to lose very -heavily. In your visit of our Factory on the 17th Instant you (Collector) might have been impressed with the amount of capital I have sunk in this huge con--cern. You(Collector) also might have seen the stock of raw materials, -

bottles, labels, stored by us. You must have been also impressed with the amount we have sunk on the machinery building etc. All this will be use-less unless the Licences are restored, and I shall have to lose all that I have invested in this concern which you may know is out my pockets. There-fore this will mean complete ruin of my fortune. So I request that you may take pity on my present condition and recommend to the Commissioner to give me one more chance for the successful working of the concern. My friends have been greatly distressed by this. They have promised me help in futur if the Licences are restored once. They have promised me that they will n allow similar thing to recur once again. I request you to do this as a ma-ter of grace and I as well as my whole family will ever be grateful to y and keep this in our memory till our death. You will be instrumental in s ving our family from the utter ruin which will overcome us if the Licen-s are not restored and God will ~~~~ reward you for this act of kindness.

Further this is a concern started in this corner of the -sidency while the bigger capitalists in the bigger cities were not willi to come forward despite the concessions offered by the Excise Department the Government of Madras from the year 1923. Anyhow, I made bold to come forward with an honest view to develop this industry and stake all my fo in this concern. So I request that you may be pleased to help me in this enterprise. You may also know that this is the only one of its kind with -digenous capital in the whole of the Presidency. Sympathising with my p -sent condition some friends have come forward to help me in this enterp se and I could have been able to show some improvement by the 15th itself But all of a sudden somebody spread the rumour that it has been ordered destroy all the medicines in the bonded ware-house and that the Licence will not be restored and that even the Laboratory Officer has been trans-ferred to Bangalore and so. I do not know who is responsible for this ru-mour. Anyhow, it has worked havoc and I have not been able to show any pro-gress. So I pray that the Licences may be restored at an early date so --- that I can get the help of my friends who are even now willing to help me -

KARNATAKA CHEMICAL AND PHARMACEUTICAL WORKS, LTD., UDIPI.

in case the Licences are restored.

I also beg to state in this connection that the hypotheca-tion deed to be executed by me had been executed on the 9th of July it-self and so it has been registered on the 23rd of July. But the other - Hypothecation deed is ready having been typed. But as the Licences have - been cancelled and as there is no use of the same until the same are res--tored - have not signed the same. It had been typed on the 24th itself. But it remains to be signed in the presence of the Tahsildar. As soon as the Licences are restored we shall sign the same before the Tahsildar and deliver the same to him.

Further, I also beg to state that by restoring the Licen--ces the Government is not losing in the least. I have deposited 2500/ - worth Postal Cash Certificates as cash security and the Government have got this Hypothecation deed already registered. On the other hand we shall be saved from the utter ruin which will overtake us if the same are not - restored.

Besides, we are not guilty of any criminal Offence. The only violation of the ~~rule~~ condition 7 of the Licences is in respect of the - payment of ~~fees~~ establishment charges . Delay in the remitting of the - same does not constitute any criminal offence. So I request that you may take pity on me and recommend the restoration of the Licences by the Com--missioner.

I n conclusion I beg to impress upon you that as I have staked my all on this enterprise and as I have not committed any criminal Offence, and as my friends have promsed help in future and as I shall see that this thing does not recur again I pray that you may take pity on me- and my whole family and restore the Licences at an early date. Hoping that you will consider all the above facts and order the restoration of the -- Licences for which act of kindness we shall be grateful to you,

~~I have the honour to be, Sir,~~

C.R.No. 7910 Agl./36-

The Karnataka Chemical & Pharmaceutical Works Ltd., Udipi - Cost of Establishment - May 1936 - Delay in payment - Report.

From the Col. No. A4. 2284-36

8/4.6.36

Under the condition 6 of the licences, the licensees should pay in advance on the first of each month the cost of the excise staff deputed to supervise the work: under the condn. 7 the licensees are liable to payment of a fine of Rs 10/ or cancellation of the licence for any breach of the licence conditions as the Commissioner may direct. Last year they defaulted twice & action taken is shown in L & M. In the present case the licensees have paid the cost of the establishment long after the due date. They may be warned as recommended by the Coll.

For orders.

Apparently the case has been uncertain in regular before this. Fine Rs 10/-

Adrgs of the P.C. Nos

are submitted for approval

Licence granted to Karnataka Chemical and Pharmaceutical Works Ltd., Udipi, South Kanara, for the manufacture in bond of Culinary, aerated water and other flavouring essences, extracts and colourings, perfumes and toilet preparations containing spirit.

I, A.H.A. Todd, C.I.E., I.C.S., Commissioner of Excise, under the Madras Abkari Act 1886, hereby license you Karnataka Chemical and Pharmaceutical Works Ltd., Udipi, South Kanara, to manufacture in bond culinary, aerated water and other flavouring essences, extracts and colourings, perfumes and toilet preparations containing spirit in the premises opposite Taluk office on the Court Road, in the Town of Udipi, South Kanara, and to remove preparations therefrom on payment of the prescribed rate of duty for the year ending 31st March 1937 subject to the following conditions to be observed by you, the said Karnataka Chemical and Pharmaceutical Works Ltd., Udipi, South Kanara.

CONDITIONS.

1. The licensees shall be bound by the rules contained in Commissioner's Notification dated 2nd July 1932 published on pages 964-970 of Part II of the Fort Saint George Gazette dated 12th July 1932, Notification No.9 dated 25th September 1933 published on page 1106 of Par II of the Fort Saint George Gazette dated 3rd October 1933, Notification No.5, dated 1st March 1934 publishe on page 356 of Part II of the Fort Saint George Gazette dated 13th March 1934 and Notification No.11, dated 22-8-34 published on page 1035 of Part II of the Fort Saint George Gazette dated 28-8-1934 regarding the supervision and control of bonded warehouses licensed for the manufacture of culinary, aerated water and other flavouring essences, extracts, colourings, perfumes and toilet preparations in bond.

2. The licensees shall observe and keep the rules applicable to warehouses generally so far as they concern them, and also all such further rules as may under the authority of the Madras Abkari Act, 1886, or other law for the time being in force and relating to the Abkari revent be made by the Commissioner of Excise.

3. The licensees shall manufacture only such preparations as are previously approved by the Commissioner. No wastage allowance will be made.

4. The licensees shall maintain in the prescribed form true accounts of all operations and transactions in the Bonded Warehouse and shall furnish such statements when called upon to do so by the Collector, South Kanara, or Excise Officers not lower in rank than that of a Sub-Inspector.

5. The licensees shall give every facility to the Excise officers not lower in rank than that of a Sub-Inspector to enter into and examine the premises and to inspect the accounts maintained in connection with the operations in the Bonded Warehouse whenever required.

6. The licensees shall pay in advance on the first of each month to the Collector, South Kanara, the cost of the Abkari establishment deputed to supervise the operations in the Bonded Warehouse together with the leave and pensionary contributions.

7. An infraction of any of the conditions of this licence either by the licensees or by any person in their employment will render the licensees liable to the payment of a fine of Rs.10/- for each such offence or the cancellation of the licence as the Commissioner may direct. The levy

of such fine or cancellation of the licence shall not preclude the licensees from being otherwise dealt with under the provisions of the Madras Abkari Act, 1886.

Through the Assistant Commissioner for --
Distilleries, Che/auk, M A D R A S.

Sir,

I have received a communication from the Laboratory offi -cer to the effect that you have ordered that the Licences will - be restored subject to our execution of the Hypothecation deeds - immediately. Thank you very much for the same.

In this connection I beg to submit that one of the two - Hypothecation deeds to be executed by us has already been execut- -ed as far back as the 9th of July 1936. When it was presented - for registration to the Sub registrar Udipi he raised objection - to register the same as the Collector may raise objection if only one of the two deeds is registered. So I had to make a reference in this respect and when I got the order from the Tahsildar in -- reply to my letter No Exc.25/36 dated 10-7-1936 (Ref: R.O.C. No. 8495-35-A6. dated 16-7-1936) I again presented the deed for re- gistration and got the same registered on the 23rd July 1936. As meanwhile the Licences had been cancelled I could not get the -- other deed signed before the Tahsildar, although it had been kept ready having been typed on the 24th itself. The same was not done

earlier as the question as to the value of the stamp paper to be used had not been settled before the 16th of July, and I got the order on that point later. Now as soon as I got the information that the Licen-ces will be restored subject to the execution of the Hypothecation-deeds I have sent a messenger to call our other Director Mr. K.Rama-anjunatha Nayak from Sagar a place in Mysore Territory where he has gone on his private business. As the same has to be signed by both of us in the presence of the Tahsildar I am awaiting his arrival for the same. As soon as he comes over here I shall get the other deed also-signed before the Tahsildar and deliver the same to him. The deed in which the building has been hypothecated has already been submitted-to the Tahsildar on the 20th of August 1936. (Ref: Exc.39/36 dated-20th August 1936).

Meanwhile thanking you for having complied with my re--quest in respect of the restoration of the Licences ,

Udipi, S. India,

Our Ref. No. Exc/40/36. Camp: Mangalore. 21st August 1936.

To

The Commissioner of Excise

Madras,

Through the Collector of South Kanara,

Mangalore.

Sir,

Ref: Collector's Ref: A4-2284-36, dated 7-7-1936. P 43 (N)

Commissioner's Ref: C.R.No. 7910-Abk./36 dated 13-7-

On the 14th Instant I had applied for the restoration of the Licences cancelled in Commissioner's Proceedings P 43 (N) C.R.No. 7910-Abk./36 dated 13-7-1936 on the Collector's report No. P 39 (N) A4-2284-36 dated 7-7-1936 that the Establishment Charges have not been paid. Having paid the establishment charges I had applied for the restoration of the licences through the Assistant Commissioner for Distilleries. I learn that the Assistant Commissioner is not at his Head Quarters now. So it will take some time for the order on this application. Meanwhile as the cancellation of the Licences was on the recommendation of the Collector I have been advised by my friends to apply for the restoration through the Collector also. Hence I have thought it necessary to write this letter.

In this connection I wish to state briefly how I

have been working this concern from the very inception of the same. I star-ted this concern in the year 1932 with the best of intentions and without intending any harm to anybody whomsoever.But from the very beginning I -- have met with opposition from some people here who were not willing to co-operate with me by joining this concern for which I had given them the opportunity. Neither could they bear to see this concern prosper. So, from the-very outset they have been putting difficulties on my way . Within a very short time they succeeded in bringing about rupture between me and my part-ner in my Bombay business.On account of this I suffered a good deal and I was not able to attend to this business. Several times arbitration was tried through many of our common relatives. When the question of my partner paying me his dues to the company came in he retracted his steps through the instigation of my enemies. For months together I was engaged in this and hence the delays in the payment of establishment charges for which - our Licences have been cancelled.

In the face of this opposition I had been working this con-cern hoping that matters will soon mend and then I can work the same --- without any difficulty. So I went on investing a good deal on the build--ing, machinery,raw drugs, chemicals,bottles,utensils, labels,blocks, ad--vertisement, stationery etc.which all work up to over a lakh and a half. My hopes were that as I have not done any harm to anybody neither have I intended any harm to anybody and as this enterprise was started with the best of intentions God will help me in this and that the difficulties wil be overcome in some time. In the midst of this I had to face a good many difficulties.But hitherto God has protected me from all these difficulti and I hope that He will save me from the present one also.

If the Licences are not restored I shall have to lose very - heavily. In your visit of our Factory on the 17th Instant you (Collector) might have been impressed with the amount of capital I have sunk in this huge con--cern. You(Collector) also might have seen the stock of raw materials, -

bottles, labels, stored by us. You must have been also impressed with the amount we have sunk on the machinery building etc. All this will be use--less unless the Licences are restored, and I shall have to lose all that have invested in this concern which you may know is out my pockets. There--fore this will mean complete ruin of my fortune. So I request that you ma take pity on my present condition and recommend to the Commissioner to giv me one more chance for the successful working of the concern. My friends -- have been greatly distressed by this. They have promised me help in future if the Licences are restored once. They have promised me that they will no allow similar thing to recur once again. I request you to do this as a mat--ter of grace and I as well as my whole family will ever be grateful to yo and keep this in our memory till our death. You will be instrumental in sa-ving our family from the utter ruin which will overcome us if the Licences are not restored and God will reward you for this act of kindness.

Further this is a concern started in this corner of the P: --sidency while the bigger capitalists in the bigger cities were not willin to come forward despite the concessions offered by the Excise Department o the Government of Madras from the year 1923. Anyhow, I made bold to come -- forward with an honest view to develop this industry and stake all my fort in this concern.So I request that you may be pleased to help me in this enterprise. You may also know that this is the only one of its kind with i --digenous capital in the whole of the Presidency. Sympathising with my pre--sent condition some friends have come forward to help me in this enterpri-se and I could have been able to show some improvement by the 15th itself. But all of a sudden somebody spread the rumour that it has been ordered to destroy all the medicines in the Bonded Ware-house and that the Licences will not be restored and that even the Laboratory Officer has been trans--ferred to Mangalore and so. I do not know who is responsible for this ru--mour. Anyhow, it has worked havoc and I have not been able to show any pr

--gress. So I pray that the Licences may be restored at an early date so -- that I can get the help of my friends who are even now willing to help me

in case the Licences are restored.

I also beg to state in this connection that the hypotheca-tion deed to be executed by me had been executed on the 9th of July it-self and so it has been registered on the 23rd of July. But the other - Hypothecation deed is ready having been typed. But as the Licences have - been cancelled and as there is no use of the same until the same are res-tored I have not signed the same. It had been typed on the 24th itself. But it remains to be signed in the presence of the Tahsildar. As soon as the Licences are restored we shall sign the same before the Tahsildar and deliver the same to him.

Further, I also beg to state that by restoring the Licen-ces the Government is not losing in the least. I have deposited 2500/ - worth Postal Cash Certificates as cash security and the Government have got this Hypothecation deed already registered. On the other hand we shall be saved from the utter ruin which will overtake us if the same are not - restored.

Besides, we are not guilty of any criminal Offence. The only violation of the ~~xxxx~~ condition 7 of the Licences is in respect of the - payment of ~~xxxx~~ establishment charges . Delay in the remitting of the - same does not constitute any criminal offence. So I request that you may take pity on me and recommend the restoration of the Licences by the Com-missioner.

I n conclusion I beg to impress upon you that as I have staked my all on this enterprise and as I have not committed any criminal Offence, and as my friends have promsed help in future and as I shall see that this thing does not recur again I pray that you may take pity on me and my whole family and restore the Licences at an early date. Hoping that you will consider all the above facts and order the restoration of the - Licences for which act of kindness we shall be grateful to you,

~~xxxx

Our Ref. No. Exc/44/36 ....25th..... August 193 6

To

The Commissioner of Excise,
Triplicane, M A D R A S.
Through the Assistant Commissioner for --
Distilleries, Che/auk, M A D R A S.

Sir,

I have received a communication from the Laboratory Offi -cer to the effect that you have ordered that the Licences will - be restored subject to our execution of the Hypothecation deeds - immediately. Thank you very much for the same.

In this connection I beg to submit that one of the two - Hypothecation deeds to be executed by us has already been execut- -ed as far back as the 9th of July 1936. When it was presented - for registration to the Sub Registrar Udipi he raised objection - to register the same as the Collector may raise objection if only one of the two deeds is registered. So I had to make a reference in this respect and when I got the order from the Tahsildar in -- reply to my letter No Exc.25/36 dated 10-7-1936 (Ref: R.O.C. No. 8495-35-A6. dated 16-7-1936) I again presented the deed for re- gistration and got the same registered on the 23rd July 1936. As meanwhile the Licences had been cancelled I could not get the -- other deed signed before the Tahsildar, although it had been kept ready having been typed on the 24th itself. The same was not done

earlier as the question as to the value of the stamp paper to be used had not been settled before the 16th of July, and I got the order on that point later. Now as soon as I got the information that the Licen-ces will be restored subject to the execution of the Hypothecation-deeds I have sent a messenger to call our other Director Mr. K.Rama-Manjunatha Nayak from Sagar a place in Mysore Territory where he has gone on his private business. As the same has to be signed by both of us in the presence of the Tahsildar I am awaiting his arrival for the same. As soon as he comes over here I shall get the other deed also-signed before the Tahsildar and deliver the same to him. The deed in which the building has been hypothecated has alrwady been submitted-to the Tahsildar on the 20th of August 1936. (Ref: Exc.39/36 dated-20th August 1936).

Meanwhile thanking you for having complied with my re--quest in respect of the restoration of the Licences ,
